Thank you for signing our petition to get this referendum on the ballot. Passing Single Member Districts will bring a more representative government to our county and give locals more control. For talking points and information on why we are doing this please see the attached talking points. Please follow these instructions carefully.

1. Only Registered voters in MONROE county should complete a petition card.
2. Voters need to use blue or black ink pens.
3. Make sure the voter fills out ALL the fields. Especially Birthdate as it is used to verify that the voter is in fact eligible. If it is not filled in it will be thrown out.
4. We need 10% of registered voters to sign this petition in order for this to appear on the ballot. That is 6000 signatures so PLEASE ask everyone you know. Bring your clipboard wherever you go! Please ask the signer if they have signed it before. If they signed it in 2021 they MUST sign another one for it to count.
5. Return or mail signed petitions to Keys Regional Election Protection 1615 Laird St. Key West, FL 33040. If you are in the upper Keys and need someone to pick them up you can call (305) 394- 1108
6. THANK YOU for helping make our democracy “more perfect”.
